

# BRUMMANA HIGH SCHOOL ROBOTICS SUMMER CAMP

*'Learning doesn't have to stop just because school is out'*

Tap into your young engineer's potential in this **Level I Robotics Camp** at Brummana High School. Through a series of hands-on activities that encourage curiosity and enhance creativity, participants will design, build, and program robots and participate in team challenges.

The number of participants will not exceed 15, granting each participant more individual attention, and increased participation. Based on demand and progress, a **Level II Robotics camp** will be offered in August.

For more information contact **Ms Nado Abi Khattar** at +961 70 463676

For registration contact **BHS Summer Camp Office** at +961 4 960431/2 ext: 19447

1

**WHO**

**Girls & Boys**

**Age 7 to 11**

2

**WHEN**

**6 Sessions**

**Tuesdays & Thursdays**

**July 9, 11, 16, 18, 23, 25**

**2:30-5:00 pm**

3

**COST**

**\$300**

**Per Student**

## **CRITICAL THINKING**

Develop critical thinking and problem solving skills designing a robot that will meet a real-life challenges.

## **PROGRAMMING**

Explore the magic of getting your robot to do whatever you want it to with easy programming.

## **DESIGNING & BUILDING**

Learn to use sensors and motors to design a robot that meets the specifications of every challenge.
