MS Teams – Development & Supporting Other Schools

Early research at the beginning of this academic year was done to find a platform where virtual classes can be conducted in case of sudden or unexpected school closure such as bad weather conditions, strikes and infectious diseases for example. The choice was Microsoft Teams where a live demo was held with a small number...

Elementary Students Learning At Home

The onset of the Coronavirus has meant that the community has had to be even more flexible and creative than usual. With the country currently in lock down mode, students are working hard from home, completing activities set by their teachers. In the Elementary Section, teachers have been able to share via Moodle and by...

Stay safe. Practise social distancing.

What is social distancing?

Social distancing is encouraging people to keep their physical distance from each other during the outbreak of viruses.

How can you maintain social distancing?

- ◀ Maintain 1 METER between yourself and others. ▶
- ◀ Reduce socializing in public places. ▶
- ◀ Avoid unimportant travel and public transport. ▶
- ◀ Stay home if sick. ▶
