Challenges!

The school is continually seeking ways to engage students (and families) in as many creative ways as possible during these unprecedented times we are passing through. Typically, these activities are focused on art, music, drama and sports. The school posted about creating a Makerspace area in homes in order to facilitate the work on many...

Blog Article: Makerspaces

Why make space for a Makerspace? We've all been told that having a routine is helpful for being stuck at home – dividing the day into chunks of time helps us manage it. Study, eat, exercise, screen time and play are all really important to include, but being confined inside our homes means play isn't...
