

December 1960.

As a Sponsor of this project you will certainly have been wanting to know how the plan for the school is developing and I am therefore sending you a copy of a new appeal for funds which contains also details of the most recent developments.

You will see that the British Government, which has already contributed £120,000 sterling; has made a further substantial offer of help, conditional on the response by March 1961 to an urgent appeal for more funds from sources in the Middle East.

THE SCHOOL DEPENDS UPON YOUR RESPONSE TO THIS APPEAL

Yours sincerely,

Dr. Joseph Hitti  
Chairman of the Board of Governors.

Donations or other communications may be sent to Dr. Joseph Hitti, P.O.B. 2400, Beirut. Cheques should be made payable to "British School Appeal Account".
