Barty Knight
BRUMMANA

Dear Barty,

TREVOR DANNATT

I have written to Trevor Dannatt asking him to make a start by sending two people to do a survey and report on Waldmeier, Little, and the Craft Block, and to prepare an estimate from this survey and report for our consideration. No doubt Trevor Dannatt will be visiting you on his way back from Saudi Arabia, and I should be grateful if you will tell him that we hope he will be able to start the work very soon.

Could you please discuss with Trevor Dannatt the question of accommodation for the two people who will come to do the survey and report. I hope that the School might find it possible to offer this to them as a hidden cost of part of the work.

We will, of course, pay all the fees and expenses for this first part of the work out of the amount of £10,000. which we have allocated, so you need not worry about this side of the operation.

Yours sincerely,

Laurence Naish
Financial Secretary
