(25th October 1971)

O.J.J. Tuckley Esq., C.B.E.  
Honorary Secretary to the Board of Governors  
of the British School in Lebanon

RECEIVED 26 OCT 1971

*John Buslow Tuckley,*

Please refer to your letter of 16th October 1970 in which you communicated to me the strong recommendation of your Board that the Damour site be conveyed to the Trustees of Brummana High School and that the school should take the site over, along with the concomitant liabilities (including the LL 18,046.- owing to the Brummana High School). Your Board, you stated, regarded this as the best available course for the resolution of the unsatisfactory state of affairs prevailing at the time.

2. Your proposal was given prolonged consideration, first by the school's Finance Committee, and then by the Brummana High School Committee in full session.

3. I have much pleasure in informing you that the B.H.S. Committee agreed unanimously to accept your Board's proposal.

4. In minute 5 of B.H.S. Committee meeting on 3rd November 1970 it is stated that "there was warm agreement expressed with the Principal's view that the school had a moral obligation to try to avoid selling the land because of the charitable purpose of the original donors of the fund".

5. Please therefore communicate to your Board of Governors that your proposal has been accepted by the Committee of Brummana High School, and that they are eager that the process of transfer should be completed with the minimum possible delay.

  
Nuhad Es-Said

Chairman, B.H.S. Committee

B. Knight

  
Principal and Hon. Secretary  
to the B.H.S. Committee
