Blog Article: COVID-19 in Slums – The Shelters That Are Being Slept On

By Jad Tannous El Ghouli – IB1 For you to be able to read this article, you obviously have access to technology. You also obviously go back to a house, with food and water, electricity, and most importantly, a roof over your head. That is the life that 828 million people around the world are...

Call for Peace initiatives answered!

By Ms. Aline Alam (Head of Math Department)

Dr. Maria Montessori once said "Avoiding war is the work of politics, establishing peace is the work of education". I believe there is no such thing as a neutral education system. Education must mould personalities and develop global citizens and peacemakers who are aware of not just the dangers of...

brummanahighschoolofficial Swipe right for a SURPRISE! A truly remarkable student-led action and experience. With no prom this year the Prom Committee donated £1,800,000 of funds raised to NGO @foodblessed providing 28 vulnerable families with essential food for a month. Head of Prom Committee Anna D. and sister Clara, along with Managing Manager Richard Bamfylde, spent Saturday afternoon volunteering and helping to pack 166 food boxes in total. Bravo to the Prom Committee for a wonderful and inspiring gift to families in Lebanon. Here's to more schools' Prom Committees taking similar actions

C'EST QUOI LE GASPILLAGE ALIMENTAIRE

brummanahighschoolofficial

brummanahighschoolofficial De nos jours, "le gaspillage alimentaire" est devenu un glâcis déconcertant qui a lieu à tous les étages, de la production à la consommation en passant par la restauration et le domicile. Maintes raisons expliquent le gaspillage du tiers de la nourriture mondiale dont principalement : la mauvaise gestion des stocks, les achats compulsifs et la consommation du luxe alimentaire. Personnellement, je trouve que la lutte contre ce problème mondial commence chez soi, dans nos propres domiciles, c'est pourquoi j'ai décidé d'explorer ce thème avec mes élèves. Je remercie Tatiana B., Bryan-Di Ki, Yara D., Marie-Josée A., Catherine A.K. et Laya A. pour leurs efforts à produire ces vidéos afin de sensibiliser leurs camarades et le grand public aux méfaits du gaspillage alimentaire, sujet assez peu investi en publicité.
