BHS Old Scholar Oualid Mouaness filmed his movie "1982" at BHS. It was the country's official entry submitted to the 92nd Academy Awards. The movie is currently still showing at VOX cinemas.

We are very proud of the achievements of our Old Scholars and happy to see our campus displayed so beautifully on screen. The movie is a testament to the continuous change and development of the BHS campus. Who can point out the campus changes that have occurred since filming wrapped?
