Brummana High School
Published by Richard Bamfylde • 2h •

Watch our Quaker Trustees (QuET) highlighting immense Quaker support for the school from Europe and the US right now, and in particular for BHS families most affected by the August 4th Beirut explosion. Through an extremely generous Quaker Matching Gift, now every dollar, pound or euro donated will be doubled to further support the Beirut Fund and cover the tuition fees of those families.

Edinburgh House bake off

The first week of lockdown in Edinburgh House inevitably led to the creation of a very large Victoria sponge cake! All expertise was called upon as a collection of amateur bakers and very amateur boarding assistants. Thankfully, the bake was supervised by baking extraordinaire Lamiss, who was on hand to avert any disasters. Also on...

Independence Day at the Infant Section

"If we are to reach real peace in this world and if we are to carry on a real war against war, we shall have to begin with children. And if they will grow up in their natural innocence, we won't have the struggle, we won't have to pass fruitless idle resolutions, but we shall..."

Throwback photo from last year's OSA UK reunion that took place at the East India Club in London on November 23, 2019. It was wonderful seeing so many Old Scholars that day! We hope and pray that things will go back to normal and we resume our reunions with our Old Scholars around the globe.

Dear All,

I hope that this letter finds you safe, healthy and surrounded by your loved ones in these turbulent times the world is going through. 2020 has been a difficult year everywhere, but more markedly in Lebanon where a number of factors such as the deterioration of the socio-economic situation, the political turmoil and instability, the August 4 Beirut Port explosion as well as the soaring USD exchange rate vis a vis the LBP, all collided with the uncontrollable spread of COVID-19.
