### A Level Orientation Evening for Students and Parents

This event was designed to provide information on the soon-to-be-launched A Level programme from academic year 2021 and onwards so that students and their parents could understand well this very worthwhile option available for the final two years of study at Brummana High School. Principal David Gray started proceedings by welcoming everyone (65+ attendees). He...

Did you know that the first tennis court in Lebanon and the Middle East was built by the principal of Brummana High School in 1889? The Brummana Sports Club held its first tennis tournament there in 1927. Since then, famous tennis players from around the world participated in these annual tournaments. Some notable tennis players who played on these courts are:

Bob Hewitt (former professional Australian tennis player, most significant accomplishment was winning all Grand Slam double titles both in men's and mixed doubles, and ranked world No 6 in 1967).

Henri Leconte (former professional French tennis player, won the French Open men's doubles title in 1984, and ranked No 5 in career-high singles).

Ismail El Shafei (former professional Egyptian tennis player and president of the Egyptian Tennis Federation, currently a member of the board of directors of the International Tennis Federation and is chairman of the ITF juniors circuit, won 6 careers single titles and reached 11 finals, and won 9 career titles).

Brad Gilbert (former professional American tennis player and an American Tennis coach, won 20 singles titles, and achieved a career-high singles ranking of world No. 4 in 1990).

Throwback photos from the BHS OSA Gulf Reunion that took place on March 15, 2019 in Dubai and was an amazing success! We miss our Old Scholars around the world, and can't wait for everything to go back to normal so we resume our activities.
