SAT Scores March 2021

Many students dread the SAT. It is a grueling 4-hour marathon of standardized testing that allows universities to determine aspects of admissions processes which help determine a student's eligibility to a certain major course of study. With the pandemic having been in full swing for over a year now, BHS realized that this important test...

SDG's Festival Action - BHS Tree Planting

By Mrs Sarah Barrett (UK), Honorary Member of the BHS SDG Committee Dear BHS tree planters, My tree: Juniperus communis, or common Juniper (family Cuppressaceae): a small to medium sized evergreen shrub or tree, native to the northern hemisphere. I've chosen to add Juniper trees to my own 'wild' botanical garden for a...

Social Relationships: Effects on Physical and Mental Health

By Thalia K. "The surprising finding is that our relationships and how happy we are in our relationships have a powerful influence on our health. Taking care of your body is important but tending to your relationships is a form of self-care too. That, I think, is the revelation." – Robert Waldinger, a psychiatry professor...
