Intermediate Assembly

Vice Principal Pastoral Sage Ball gave Intermediate students an assembly about taking risks. The teenage brain is a wonderful thing. It is set up for exploration and risk taking. But, the part of the brain that considers the longer term consequences of our actions does not fully develop until we are 25 years old! Teenagers...

WORLD ENVIRONMENT/ OCEAN DAY COMPETITION

On the occasion of World Environment Day (5th of June) / World Oceans Day (8th of June), the BHS Libraries are holding an art competition for all classes. Draw a picture or take a photo of one way in which you can help the environment (cleaning up coasts, recycling, rewilding gardens...), then post your work to social media between 27 May and 4 June, and tag BHS using #bhsenvironmentday and #bhsiserve. Good luck to all!

Did you know that three of our young Old Scholars recently wrote their first children's books? Old Scholar Maya Nassar '03 launched her first children's book entitled "Andy the Ant" in December 2020. Old Scholar Jennifer Jahjah '05 launched her first children's book entitled "Of Bravery and Peanuts" in January 2021 and Old Scholar Rosie Zeinoun Petersen '97 launched her first children's book entitled "Valentina In Kenya" in April 2021. We wish them all the best!

Throwback to the 2019 Open Air End of Year Gathering where we celebrated with the graduating BHS class of 2019! We are heartbroken that due to the pandemic and governmental restrictions on public gatherings, we had to cancel the event last year and will have to cancel the event this year as well, but we are optimistic that this annual OSA event will be back on track in 2022...bigger, better and more fun!
