Thursday and Friday were induction days for new BHS staff, and the Principal's message to them was 'We need your sense of hope to inspire the young people of Lebanon'. Today was in-service day for all staff and the Principal's address was sincere, empathetic, supportive and motivating, as he galvanised all staff together for the year ahead.

Did you know that in 1876, Theophilus Waldmeier the founder of BHS, buried a time capsule on the school grounds?

The time capsule consisted of a small tin box which contained the holy Bible, a description of the history of the Friends Mission, the names of the Committees in Old and New England at the time, and some coins.
