

**Laugh and the World Laughs with You  
Monday 4 October 2021 at 7 pm Beirut Time  
(UTC+3)**

A new type of event for Karaz w Laimoon. On Monday the 4th of October, we are having a Joke Telling Event.

We invite you to tell us a joke or two (all in 5 minutes) in any language you want.

We hope the jokes would be short and that they would not offend anyone.

**Reply to this message** to let us know of your wish to tell a joke and we will prepare a list of “jokers” on a first-come-first-served basis.
