## English Class

---

On the morning of 9 November, the Principal gave the first formal lesson looking at the novel 1984 which was prefaced by an introduction he gave the students on the life of George Orwell following an enlightening introduction to Dystopias by the Head of Department, Lisette El Hage. He also talked about the context in...

Check out photos from great friend of the school Sarah Barrett, member of the sustainability committee and who is now the convenor of the Friends of BHS group to support the school, visiting COP26 in Glasgow this week. The time to act on climate change is now for present and future generations. Thank you for sharing Sarah!

## 04 Principal Gray's Visit To Dubai - November 2021

Dear All,

I hope you are well.

Brummana High School will be participating at the UK Boarding Schools Association Annual Exhibition that will be held at the Sheraton - Mall of the Emirates, Dubai on November 26 and 27, 2021. This is a prestigious exhibition and BHS is the only school in the region to participate.

This is a sure sign that our beloved school is not only thriving, but also competing at a very high educational level vis-à-vis other schools in the region.

Today, more than 1,250 days and boarding students attend the school; receiving top notch education and achieving outstanding results.

Case in point: BHS Students in the IB Diploma program in 2021 had a 100% success rate, with one student ranking in the top 1% globally. Students in the Lebanese program also scored a 100% success rate in 2021!

Besides being a beacon of education throughout its history, BHS has had a well-established boarding section, bringing together students from a variety of backgrounds and nationalities. The boarding section is set within the school's stunning, nature-rich, 16-acre campus in Brummana, situated at 750 meters above sea level and 25 minutes' drive from the Lebanese capital, Beirut. The campus is extremely safe and boarders have access to the whole campus and all facilities, including the new multi-gym and sports arena.

Today, our role as Old Scholars is to promote the school wherever we are, and since the exchange rate of the LBP vs the US has changed so drastically in Lebanon, the school has become extremely competitively priced compared to other schools in Lebanon and the region. Fresh dollars from abroad, paid as tuition, would help the school cover its expenses and guarantee that the high level of education that we expect from BHS, will always be maintained.
