## May Festival Preparations

---

Principal Gray has confirmed arrangements for the May Festival which will be held paradoxically on Saturday, 4th of June. # Update on Covid19 Requirements and Guidelines

Share this article:

The Principal met with the school doctor, Mireille Zalzal, to discuss arrangements after Easter with regard to restrictions on account of Covid19 which would appear to be on the retreat. They agreed that in line with the requirements of the Education Ministry we would continue to insist on masks being worn in class by staff and by students, but that arrangements would be relaxed out of doors and at major events during the term. The Principal sent a letter to all colleagues in this regard. These arrangements may change of course in line with government guidelines.
