IB1 students presented their Group 4 Science Project on May 18th to parents, teachers, and their peers. These projects covered various themes, ranging from chocolate and milk to ammonium nitrate and hydrogels. The students demonstrated collaboration within their groups and engagement in their research and presentation. All were pleased with the outcome. Many Thanks to all those who attended. Congratulations on a job well done!

## **Thank You Sarah Barrett**

---

Thank you to long-term friend of the school Sarah Barrett for her great efforts producing the tea towels that are being sold in a fundraising appeal to support BHS. The tea towels are now available for sale in Lebanon at the BHS Bookshop in a limited quantity, but more towels and other items are coming...

The BHS cricket team took on Cedars cricket club on Saturday. BHS batted first and accumulated a very good score of 96 runs. They then bowled and each bowler performed well, keeping Cedars below the target and winning the match overall. Well done to both teams who performed very well. We look forward to another match hopefully soon! More photos can be found here:
