Remarkable news! Simon Manasseh in the UK is undertaking a major triathlon to raise funds for the school. He will row 10k, run 10k and cycle 100k on 28 October with the goal of raising £10,000 - absolutely fantastic all round. Simon's family history goes back to the school's earliest days nearly 150 years ago and he remains very closely attached and supportive of a BHS education. Special Memories: Remembering and Creating New Ones!

The school was extremely happy to welcome back on campus David Nassif '73 and wife Silvana Karam Nassif, who studied at BHS for a year herself, on Friday and Monday, 1 and 4 July. It is very special whenever we are visited by Old Scholars. Dr. & Mrs. Nassif had visited the OSA offices and...

The school was thrilled to welcome back on campus Anton Al Jaar who studied in the Lower Primary in the early 70s. It was incredible to see how much Anton remembered from his school days, even where his boarding house family lived on the ground floor of Akl. He was joined on campus by his kids as well as his brother and family. They are all very welcome again anytime. Check out some of the visit pics including two from the same spot - just 50 years apart!

🔥 The long-awaited BR1 Summer Camp came back with a bang!

🌊 Our cub scouts journeyed into the sea where they discovered the life of pirates, and all the skills needed for such a mission.

🏔️ Our girl scouts hiked the Siberian trails to protect their tribes, learn new survival skills, and how to strengthen their minds and bodies.

🏴‍☠️ The boy scouts put their scouting skills to the test when they built their own pirate island, explored thrifty techniques of survival, and played games that put their teams and friendships on the line.

💚 We were fortunate enough to celebrate the promise ceremonies of Michelle Abi Haidar, Kevin Jarjoura, Rawad Bou Akl and Gaby Ashkar during this camp!

🏞️ Our ventures took a long journey of self discovery on their 20 kilometer hike through Baskinta, returning to the campsite to hear an interesting story from a former convict.

🔥 The famous BR1 campfire nights returned better than ever, joining our friends and family for a night of laughter and songs!

See you next year! #ToTheFore 🍌💚💚💚
