US Trip – Tuesday, 25 October

Having arrived at the East India Club in St. James square in London just before 2:00 AM after a delayed flight from Newark – New Jersey, I woke up somewhat disorientated to a London Autumn morning which was mild and not unpleasant. I spent some time in Waterstone's bookshop searching out books that I had...

US Trip – Wednesday, 26 October

By David Gray I had a quiet day for my last day in England and spent most of it trying to pick up books that I had ordered from Waterstones which were not available there and so had to be found elsewhere. In addition I took a walk around St. James's park with my stepdaughter...

Triathlon for BHS

Simon Manassah completed his Triathlon for BHS. The 10K run was done in 1 hour and 14 minutes, average of 7 mins per km, which is good for him! His friend James Gladwyn ran with him! The row took 57 minutes and 27 seconds which is slower than in training! The 100k on a bike...

Design & Technology Class

BY Elias N. Haddad Barouky (Teacher of Design & Technology) In 2022-2023 one of the design trends is to use AI to overcome everyday tasks, where it aids us in the basic stuff that we do every day, such as grammar check, spell check, speech-to-text, and text-to-image,... I have been working in design and technology...

Najwa Abou Akl Akkary
That's awesome! Congratulations!

The Gardening Club has students from grade 3 up till grade 7. In the club they learn to plant seeds and nurture them into becoming healthy plants, thus students develop a direct relationship with the land and environment. So far they have planted radishes, cabbage, red cabbage, iceberg lettuce, spinach, kale, garlic, onion, and rocca.
