On 22 March, Philosophy Teacher Tarek Yared accompanied his IB1 class on a field trip to Surssock Museum and Beit Beirut. In Surssock Museum, they analyzed the different artwork in relation to concepts of identity, free will, aesthetics and human nature. In Beit Beirut, they learned a lot about the missing people of the Lebanese civil war and the efforts made for justice.

"Play is an active form of learning that unites the mind, body and spirit". At the Infants' Section, we emphasize the important role of play as it improves the cognitive, social, physical and emotional wellbeing of children. Play also encourages cooperation, sharing and taking turns.
