The Head of Upper School - Academics, Miss Aline Alam, and Grade 7 students Ghliwa El B., Jason B., Yasha Abou D., Mira M., and Jad A. gave a presentation to Grade 6 students about the transition from Grade 6 to 7 and the subsequent changes to expect. The presentation was well-received and provided valuable information to help the Grade 6 students prepare for the next step in their academic journey. A short tour followed to introduce Grade 6 students to buildings on the main drive.

We are deeply grateful to Mr. George Younis, Vice Chairman of the BHS Governing Board, for allowing the Gardening Club students to tour his amazing land. The students enjoyed wandering the grounds, playing, and learning. Mr. Younis's generosity and passion for farming affected all of us. The Gardening Club is very appreciative of this wonderful opportunity.

In maths, Grade 1 learners had lots of fun finding out about transformations. Working together, they took their learning outside, to flip, slide and turn shapes.

On Friday, 24 May, the KG 2 students had a great gardening experience at Villa B Secret Garden as they explored different kinds of herbs, plants and trees. 🌱🌿🍄🌻🌻🌻 Our little learners were engaged in hands on activities related to nature as they planted their own seeds, watched a presentation about plant life and used their senses to explore nature.

This year's Graduates Gathering to celebrate the graduation of the Class of 2024 from BHS was definitely a night to remember!

On Friday May 24, 2024, the OSA held its annual Graduates Gathering at the BHS amphitheatre in the presence of the Class of 2024, OSA Administrative Committee members, members of the BHS Administration, Heads of Sections, Heads of Departments and Grade 12 teachers.

The graduates received their 5-year free OSA membership cards, then enjoyed a trivia... See more
