In such dire circumstances, serving others can be a great way to enrich everyone's spirits while offering hope and aid to those suffering. This is why, the Upper School I Serve food drive was initiated in which a great amount and variety of food was collected and assorted to be donated to people in need. It is heartwarming to see how the BHS community is beyond generous and eager to help others!  
#BHSiserve

A collage of four photographs showing students actively participating in a food drive. They are seen sorting through boxes and bags of food items, including canned goods and packaged snacks, and organizing them for donation.

The school's Botanical Garden and Gardening Club are teaming up to plant cyclamen bulbs along all the school's masonry walls. This project will add beautiful greenery while giving students hands-on gardening experience and a chance to make the campus more vibrant and eco-friendly. #BHSIsolve

Introduction to Drama and Theater classes: helping grade 7 students self-esteem soar as they overcome shyness and discover the joy of expressing themselves!  
#BHSIsolve

What is Drama?

... of drama... an art form... around... with... resources in which the actor or actress... in front of... audience... in drama.
