A number of QuIET Trustees, who oversee the work of Brummana High School, are now visiting the school to convene meetings with the Governing Body and to see the school, some for the first time. Today they hosted a buffet lunch for staff in the Upper School Library. #BHSIserv

Jeremy Holmes, Trustee of QuiET and expert on the works of William Shakespeare, gave an exceptional lecture on Shakespeare's "Lost Women" to grades 10IP, IB1, IB2, and 11IP (AL Lit.) students, who were able, as a result, to put their studies of Shakespeare's plays in a wider context. #BHSServe

Reading aloud to our children is a gift that will last a lifetime'. Our Infants' Section students enjoyed listening to stories read by the Quiet Trustees on Monday, 20 and Tuesday, 21 January and were eager to ask questions and interact in a beautiful and fun way. We enjoyed the Quakers visit and look forward for their next visit.

Before we ever put a pencil in a child's hand, those hands should catch, climb and explore with a variety of materials. We take every opportunity to take our infants for outdoor and indoor activities and physical education lessons to develop their motor skills. Way to go boys and girls!!!

Congratulations to Old Scholar Carl Sadek '23 - who is currently a Sophomore at Harvard - for being the recipient of the Detur Book prize, the oldest prize at Harvard College.  
 He was awarded this prize based on his outstanding academic performance during the first three semesters at Harvard College.  
 The Detur Prize originated on the bequest of Edward Hopkins (1600-1657), who bequeathed the residue of his estate in trust for the Harvard College "to give some Encouragement unto those foreign Plantations for the breeding up of Hopeful youth in the way of Learning...for the public Service of the Country in future times."  
 The name "Detur" comes from the Latin Detur digniori "to the more worthy let it be given."  
 We are proud of Carl's accomplishments and wish him continued success on his journey at Harvard!
