Week 12: The Greater Periwinkle (*Vinca major* – Apocynaceae)
The Greater Periwinkle is a delightful small spreading groundcover that thrives in the shade of trees. It has such lovely, dreamy blue/purple flowers that you probably can never truly capture in a photo.
To locate the plants on campus, check the shaded areas below the cafeteria and next to the gardening club greenhouse.
As part of the school's 150th anniversary celebrations, the curator of Brummana High School Bota... See more
