Week 15: The pyramidal orchid (Anacamptis pyramidalis- Orchidaceae).
Anacamptis pyramidalis, also known as the pyramidal orchid, is a species of flowering plant in the orchid family. It is native to Europe and the Mediterranean region and can be found in grassy areas such as meadows, fields, and hillsides. The pyramidal orchid gets its name from the shape of its flower spike, which has a pyramid-shaped arrangement of deep pink to purple flowers that bloom from May to July.
